

## Are you...

...a behavioral health clinician working in a primary care setting?

...a behavioral health clinician or student interested in practicing in a primary care setting?

...a primary care provider interested in integrating behavioral health into primary care?

...a primary care administrator interested in developing integrated behavioral health services in your clinic?

...just interested in integrated primary care?

**If so, please join us for the fourth meeting of the:**

## **Integrated Primary Care Behavioral Health Peer Networking Group of San Antonio!**

**Date:** Tuesday, October 30, 2018

**Time:** 3:45pm – 5:00pm

### **Location:**

Methodist Healthcare Ministries  
4507 Medical Drive (South Texas Medical Center Campus)  
San Antonio, TX 78229

**Speaker:** Dr. Jessica Lloyd-Hazlett, UT San Antonio

**Topic:** The “PITCH” Program: Training the Workforce in Integrated Primary Care

### **Why attend?**

- Meet others practicing in or interested in primary care behavioral health.
- Learn from and share your knowledge with others practicing in/interested in similar settings.
- Cap off the work day with **refreshments** and great dialogue among friends and colleagues!
- **Bring your business cards!**
